WEDNESDAY WEEKLY WISDOM!

"OVER"

Over...Done...Gone!

Sometimes we just need to get over it.

Don't be afraid to start over..this time we are not starting from scratch.

After this is over we are going to come out stronger.

There is a difference between getting over things and just getting through them.

I've failed over, over and over... that is why I succeeded.

Nothing can stop us from letting go and starting over.

Choose discipline over mood... the payoff is incredible.

It's not over when we lose. It's over when we quit.
