WEDNESDAY WEEKLY WISDOM!

"GLOW"

We grow when we glow.

**Let the glow in your heart reflect
in your soul.**

**You glow differently when
you're actually happy.**

**Don't ever let anyone dim your
glow.**

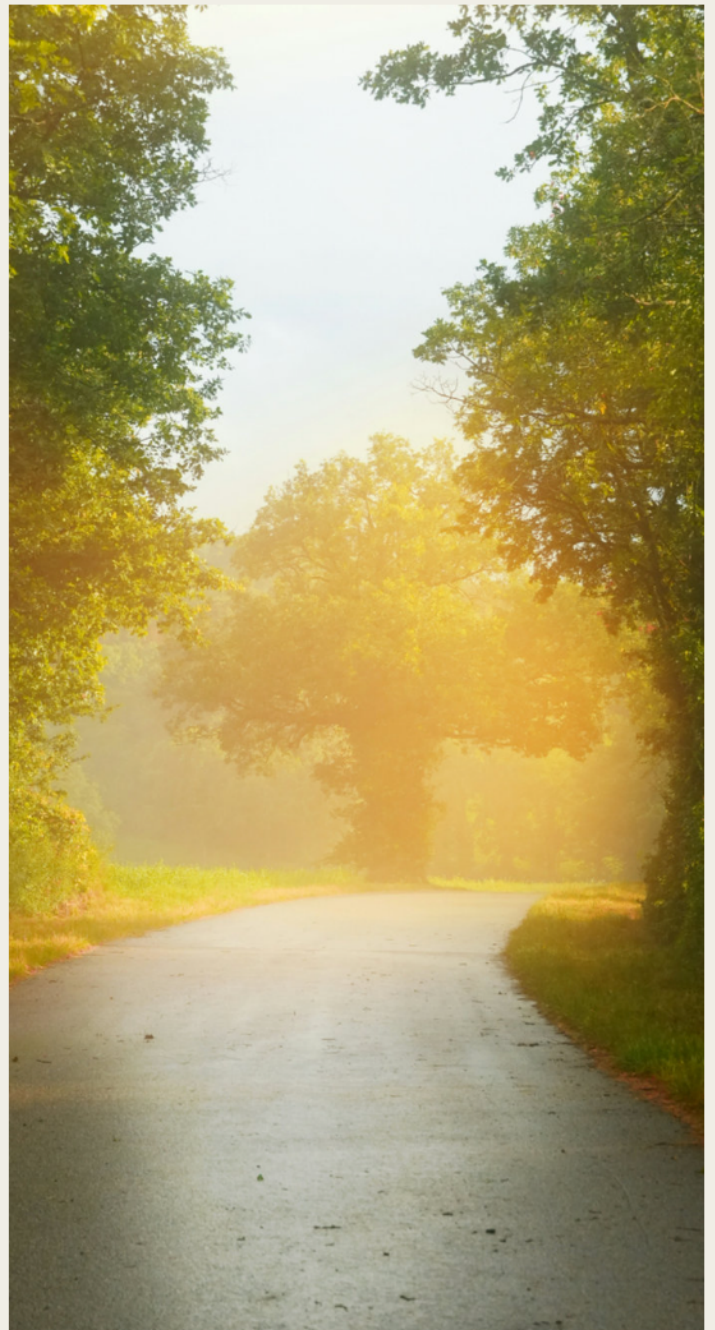

**When you help others shine,
you help yourself glow.**

**Your eyes glow when your heart
is happy.**

**Glow every day, the world needs
your magic.**

**We glow when we have good
people with good intentions in
our life.**
