WEDNESDAY WEEKLY WISDOM!

"PLAY"

Play is training for the unexpected.

It is a happy talent to know how to play.

Play is our brain's favorite way of learning.

Play is the highest form of research.

We don't stop playing because we grow old: we grow old because we stop playing.

Play is the only way the highest intelligence of humankind can unfold.

In our play reveal what kind of people we are.

Play fills the mind and soul with meaning.
