DCB STRATEGIES

Decide Commit Become

WEDNESDAY WEEKLY WISDOM!

"WILD"

All good things are wild and free.

I never saw a wild thing feeling sorry for itself.

Wild things have restless wings.

Keep your heart wilder than wild.

It's better to be wild than boring.

Inside all of us is a wild thing.

How wild it is when we let it be?

Don't let the world tame your wild.

I now walk into the wild!

Being The Best And Average Have Nothing In Common
