WEDNESDAY WEEKLY WISDOM!

"DOUBT"

**Faith can move mountains and
doubt can create them.**

**Doubt kills more dreams than
failure ever will.**

**When in doubt, just take the
next small step.**

**Don't doubt me, because that is
when I get stronger.**

**Let them doubt you...just don't
join them.**

Never doubt your instinct.

**If you are not doubting, you're
probably not doing anything
new.**

Doubt can be removed by action.

**Breathe in confidence, exhale
doubt!**
