WEDNESDAY WEEKLY WISDOM!

"COUNT"

Don't count the days, make the days count.

Don't count numbers, count feelings.

Counting time is not as important as making time count.

Make today count ... it is not coming back.

Make it a daily habit to count your blessings.

It is the little things that count most.

It's not the years in our life that count, it's the life in our years.

It is the thought that counts.

Make every step count!
