WEDNESDAY WEEKLY WISDOM!

"COMPLETE"

Seek to complete rather than compete.

Complete acceptance is the doorway to transformation.

Better to complete a small task well, than to do much imperfectly.

College is something we complete. Life is something we experience.

There is no revenge, so complete as forgiveness.

We are never too old to complete our goals.

I am complete but not finished.

It takes a good effort to begin and a great effort to complete!
