"BEST"

The best preparation for tomorrow is to do our best today.

To be the best you have to beat the best.

The best thing about the future is that it comes one day at a time.

The best views come after the hardest climbs.

Doing your best means never stop trying.

The best revenge is massive success.

We will never regret giving our best.

A challenge is a chance for you to do your best.

The best is yet to come!
