

## **WEDNESDAY WEEKLY WISDOM!**

"SURE"

The only thing I know for sure is that I will never give up.

> When nothing is sure, everything is possible.

Be sure you put your feet in the right place then stand firm.

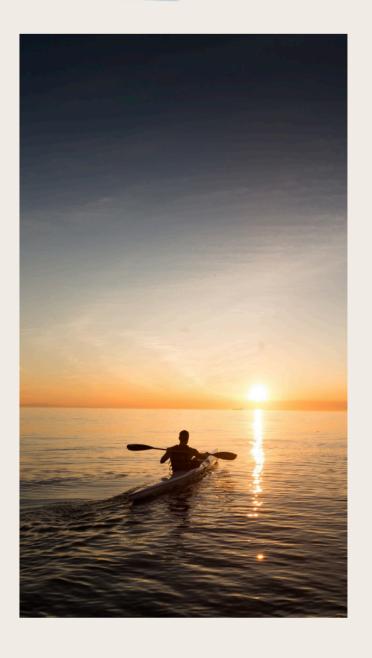

Excuses make sure your life is the same as it was yesterday.

If you put everything off till you're sure of it, you'll never get anything done.

I know for sure what we dwell on is who we become.

What ever you decide to do make sure it makes you happy.

Know this for sure. When you get the chance go for it.
