WEDNESDAY WEEKLY WISDOM!

"WHY"

Find your why and be on your way.

When the why is clear, the how is easy.

When you feel like quitting think about why you started.

Start with why.

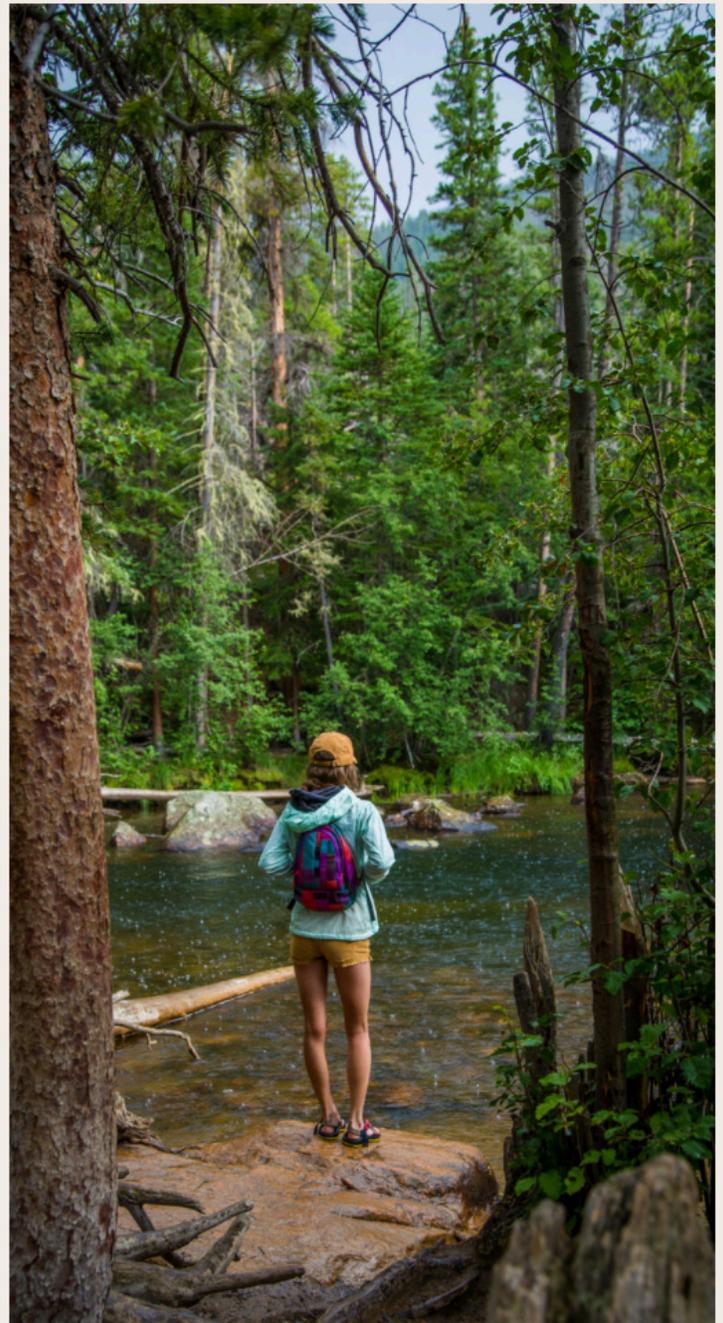

Some ask why...I ask why not.

Why? Why Not? Why not you?
Why not now?

Forget all the reasons why it won't work and believe the one reason why it will.

Let the world know why you are here and do it with passion.

You have to think anyway, why not think big!
