WEDNESDAY WEEKLY WISDOM!

"CHARGE"

Change your thoughts...charge your life.

Until you take charge of your own life, things don't happen.

Currently charging my Life, Mindset, Faith and my phone:)

You're in charge of your mind... help it grow by using it the right way.

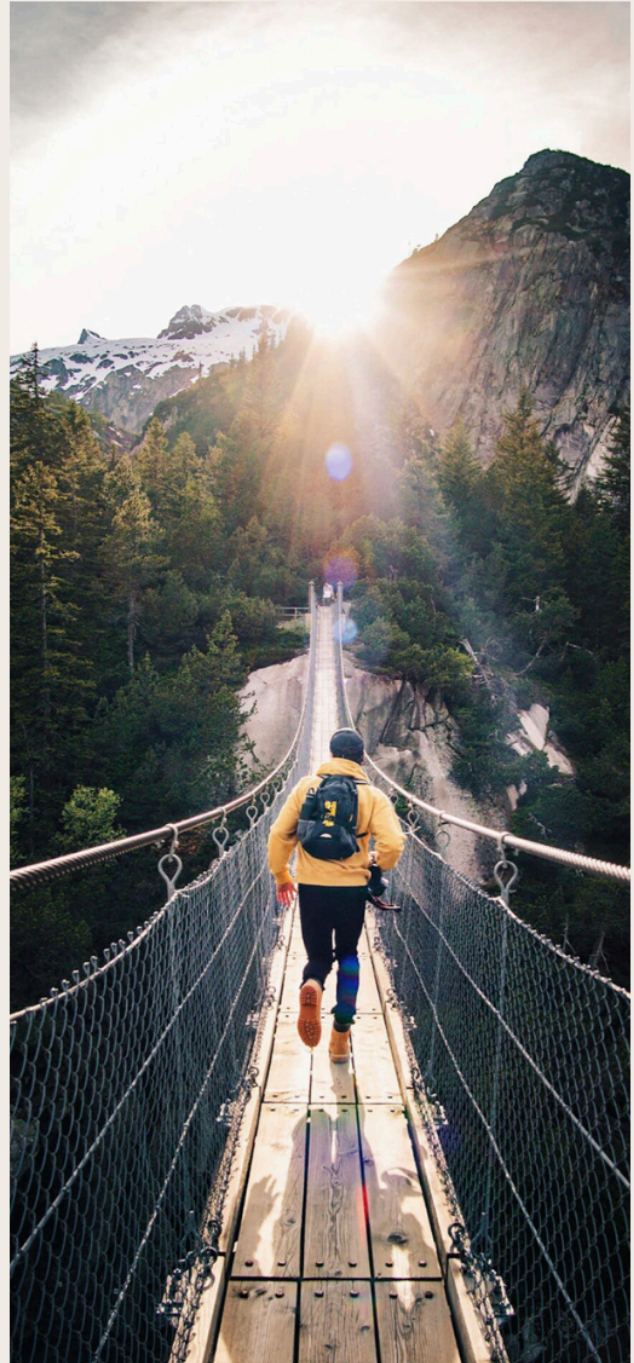

Take charge of your attitude... Don't let someone else choose it for you.

You are in charge of your own happiness...you don't need other's permission.

Take charge and don't apologize for it.

Today I am in charge of how I feel.

Life has no plug, get up and charge it yourself.
