WEDNESDAY WEEKLY WISDOM!

"NICE"

Being nice is contagious :)

It's nice to be important, but it's more important to be nice.

A few nice words can help a person more than you think.

Say something nice for a change.

Work hard and be nice to people.

Being nice to people you don't like isn't being two-faced; it's called growing up.

Think good thoughts, say nice things...everything comes back.

It costs nothing to be nice.

The world is filled with nice people...if you can't find one, be one.

Have a nice day!
