WEDNESDAY WEEKLY WISDOM!

"MORE"

How we climb the mountain is more important than reaching the top.

You are more than who you were.

The more you learn the more you earn.

Do more of what makes you happy.

The more we give the more we will have.

Be more, do more, because life wants you to win.

The more things we do the more we can do.

It's more difficult to stay on top than to get there.
