WEDNESDAY WEEKLY WISDOM!

"DELIVER"

Always deliver more than expected.

Don't deliver a product, deliver an experience.

Promise only what you can deliver, then deliver more than you promise.

Promises are like babies: easy to make, hard to deliver.

Good or bad habits always deliver results.

Victims make excuses...Leaders deliver results.

People invest in our ability to deliver to them a more favorable future.

The universe can take quite a while to deliver.

Deliver happiness with a genuine smile!
